

LOOK AFTER WHERE YOU LIVE

CORPORATE ENGAGEMENT PROGRAM

Looking for an opportunity to bring your employees together?

The Living City Foundation, together with Toronto and Region Conservation, own more than 43,000 acres of protected land in the greater Toronto region. With a proven track record and over 60 years of on-the-ground experience, we continue to make a positive impact in our communities and have numerous environmental activities to suit your needs.

Let us help you make a difference.
